A little bit just a little bit
A little bit just a little bit

World's on turn around
Music make no sound
Where is sweetness found
Where love is gone

Sun don't come around
Don't make a sound
Where can love be found
If your heart won't feel

Shivers
Up and down my spine
Breaker
Not on my mind

How could it end this way?
Don't leave me, love me
Just a little bit longer

How could it end this way?
Don't leave me, love me
Just a little bit longer

How could it end this way?
Don't leave me, love me
Just a little bit longer

They don't turn tonight
Morning don't bring light
Where is sweetness found
Where love is gone

Won't you stay tonight?
Let the truth shine bright
Where can love be found
If your heart won't feel

Memories
Emotions that we share

Teardrops
Signing my face

How could it end this way?
Don't leave me, love me
Just a little bit longer

How could it end this way?
Don't leave me, love me
Just a little bit longer

How could it end this way?
Don't leave me, love me
Just a little bit longer

How could it end this way?
