Under my soul, I hide  
Chasing emotions, can't you see?  
If I let it go, will we reveal  
A sign of devotion, all you feel?

Sometimes there's a moment  
Sometimes we don't see  
Now we stand to frighten  
Scared to believe

Now I wait for you  
'Til you wake me from my sleep  
And I'll wait for you  
Let my voice be yours to keep

The touch of your hand on me  
A night everlasting, comes too deep  
Don't make me wait for what I need  
This passion is burning deep in me

Sometimes there's a moment  
Sometimes we don't see  
Now we stand to frighten  
Scared to believe

Now I wait for you  
'Til you wake me from my sleep  
And I'll wait for you  
Let my voice be yours to keep

Now I wait for you  
'Til you wake me from my sleep  
And I'll wait for you  
Let my voice be yours to keep

Wait for you  
Wait for you
