Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Can you see the light  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
You see the light - you see the light - you see the light  
Can you see the light  
You see the light - you see the light - you see the light  
Can you see the light  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
Tonight tonight tonight  
Can you see the light  
You see the light - you see the light - you see the light  
Can you see the light  
You see the light - you see the light - you see the light  
Can you see the light
