Everybody's gonna dance, dance the night away

I remember the first time, I came to this club
I saw you at the bar and then my heartbeat just stopped
I was looking for action and I wanted to dance
Never thought - crazy night - and I fell in a trance
I took my heart in my hands, whispered in you ear
Come dance, with me, or let's get out of here
Then you started to move, you started to jam
Took off to the dance floor, I'm your number 1 fan

Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor

Dance, everybody's gonna dance, dance the night
away
Take your chance and dance

The flames are burning, hot in our hearts
We don't always agree, but we're never apart
We are crazy in love, like the very first day
Now being together we are sharing our way
Here we are so excited, I feel like a child
Now we're back where we met and the crowd's going
wild
Oh my god what a night, that we spent together
DJ go, DJ yo, DJ rock forever

Everybody's gonna dance, dance the night away

Dance the night away, dance the night
Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor

Yo DJ, pump, pump, pump pump it up
Burn the floor down, down, down, don't stop
Rock, rock to the rhythm and rock to the rhyme
Bring the beat back, make me feel so fine
I'm talking about dancing, wild romancing
Talking about moving, talking about grooving
DJ, pump, pump, pump pump it up
Burn the floor down, down, down, don't stop

Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance, dance the night away
Dance the night away, dance the night
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor
Everybody's gonna dance
Everybody's gonna dance tonight,
Everything's gonna be alright
Shake your butt to the beat,
I'm gonna take you to the dance floor
