Chorus:

This ship is a ghost
Called the "Restless Bark"
Sailing in the dark
Forever and ever
This ship is a ghost
Bears a mystic tragedy
So lost in misery
The spirits of a hundred years

Verse 1:

The seasons come, the seasons go
And we are on our journey to the island of
"garunga"
"Garunga"
A mystic place, no time no face
A legendary land in the middle of the ocean

Bridge:

It's like an endless nightmare
A journey to no man's land, vanished down in the
sand

Verse 2:

We're restless ghosts, damned to live
There will be no escape before we find the treasure
island
"Garunga"
The price we pay, we fade to grey
Punished for our sins, we are searching more than
hundred years

Rap:

Once upon time in a dark deep night
The legend begun with a historical fight
We've entered a ship, no one on board
Just a treasure chest with a plan was our reward
We followed the course showed on the map
The way changed everyday - we got trapped
We're searching "garunga" 'till the end of our
time
We sail and suffer for our life of crime
