We sing happy birthday to you,
And may all your dreams come true,
(Happy Happy Birthday)

(Ooooah) This is your birthday song
(Ooooah) Celebration all night long
(Ooooah) May all your dreams come true
We sing em' together,
Happy birthday to you!

Happy birthday, celebration,
Party night, feel the vibrations,
Lighs a-bright, we're feelin' all right,
We're dancin' till the morning light,
Happy birthday, celebration,
Everybody get the temptation,
Once again, this is your night,
And everyone feels right...
