Chorus:

Hey nana nana
Join the celebration
Hey nana na
Everybody sing it
Hey nana nana
Join the celebration
Hey nana na
Everybody dance

Verse 1:

Tonight is the night so I dress myself like a gigolo
Yo, hey girls don't go
Just wait for me I'm gonna be there soon
And then we gonna dance 'till noon
It's me - mister superboombastic
Enthusiastic - fantastic
Ready for the dancefloor here comes the king
Step aside, let's swing

Bridge:

The night is young and so are we
Come on over set me free
What I really wanna do
Is just dance with you

Verse 2:

I'm dancing on the ceiling, hey ladies I'm hot
I saw you there - and I was rooted on the spot
Oh no - she's the girl of my dream
And I am the fool acting like a drag queen
Wrong time, wrong place, time to end in smoke
And all I could say - do you want some coke ?
I started to stotter said bla bla bla bla
She said "hey nanana"

Midpart:

Hey nana nana
Un, dos, un, dos, cantar
Join the party here all night long
Everybody come sing this song
People're dancing and having fun

Celebrate tonight
Join the party here all night long
Everybody come sing this song
People're dancing and having fun
Celebrate tonight
