Chorus:

I believe in visions  
I believe in love  
I believe in magic, but this is not enough  
I believe in freedom  
I believe in dreams  
I believe in heroes, but this is not enough

Vers 1:

I believe in faith, in knowledge I can learn  
I believe all what you give, you get returned

Bridge 1:

And I'm afraid we place our life in other peoples hands  
I realized on earth we're all the same, we need a  
chance

Vers 2:

I believe in life there's more than wrong or right  
I believe in colours there's no black or white

Bridge 2:

And you don't know what you have got until you say  
goodbye  
But in my dreams one day I spread my wings and I will  
fly

Midpart:

I believe my dream can be reality  
I believe my time on earth is destiny

Midpart choir:

Oh i, I believe  
Now - we are strong enough  
Oh i, I believe  
We - are - strong enough
