Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like Listen to my voice and start to dance I promise you this will advance I am back with my rhyme and I started to climb Welcome to the jam I am rocking again From my mind and my heart to your body and your feet I know what you want it's that beat from the street Mr. DI put the jam on Pump it up till the night is done Let's go down down to the underground I'm kicking your back Bobo is in town It's a jam and I do what I like Bring the beat back don't believe the hype You have the bass in the place together as one Try to run then you're gonna have fun I know what you want and you want it now I know what you want when you hear the sound I know what I want and I want it now I know what I want when I hear this sound I know what I want and I want it now I know what I want when I hear this sound Everything's alright alright

And the feeling makes me blind
I know what I want and I want it now
I know what I want when I hear this sound
I know what I want

If you try to beat you got to be a kid And give the world your everything I'm not the greatest dancer with the fastest tunes I'm not the fastest rapper that you ever knew By the way it sounds like a mystery But no one knows who you really wanna be Deep in the night I bring you delight And leave all your troubles by your side I know what I want and I want it now I know what I want when I hear this sound I know what I want and I want it now I know what I want when I hear this sound Everything's alright alright And the feeling makes me blind I know what I want and I want it now I know what I want when I hear this sound I know what I want Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like Bring the beat back don't believe the hype Bring the beat back don't believe the hype Bring the beat back don't believe the hype It's a jam and I do what I like I know what I want and I want it now I know what I want when I hear this sound I know what I want and I want it now I know what I want when I hear this sound Everything's alright alright And the feeling makes me blind I know what I want and I want it now I know what I want when I hear this sound I know what I want
