La vida es
La vida es una flor
La vida es
La vida es una flor
La vida es

Come baby come, baby life's not fair
You better watch out and you better take care
Come baby come, baby breathe the air
Life's a gift as you are aware
Come baby come, baby hang in there
Life's like a flower you have to care
Come baby come, baby I'll be there
La vida es una flor I swear

I believe
I believe in love
I believe
I believe in love

La vida es
La vida es una flor
La vida es
La vida es una flor
La vida es

Ohohohoh

Come baby come, baby what's your plan
A plan like sand slipping through your hand
Come baby come, baby time will end
You better wake up and take your chance
Come baby come, baby what's your intent
Life's like a flower like the holy land
Come baby come, baby take my hand
La vida es una flor my friend

I believe
I believe in love
I believe
I believe in love

La vida es
La vida es una flor
La vida es
La vida es una flor
La vida es
Una flor, una flor, una flor
Una flor, una flor, una flor
Una flor, una flor, una flor

La vida es
La vida es una flor
La vida es
La vida es una flor
