Love is all around  
Love is all around  
Love is all around  
Love is all around

Everywhere you look  
Love is all around  
See it in the eyes  
Of a mother and her child

See it in the eyes of a friend  
Love is all around  
Love is all around  
Love is all around

My heart starts boom  
My arms feel weak  
My head is exploding  
Everyday of the week

I can't eat, I can't sleep  
'Cause your body's so sweet  
Put your hand to my heart  
Then you feel the beat

You're the wonderful girl  
With that sexual healing  
When I hold your hand  
Then I get this feeling

You're the only one  
Feel so proud  
Sweet, sweet girl  
Your love is all around

I'm dancing  
And I feel like flying  
Then I see this girl  
She is crying

I take her in my arms  
It's like a dream

The most beautiful girl  
In the world I've seen

Look up to me  
I see it in your eyes  
The moment of truth  
No more lies, it's love

Love at the first sight  
Like heaven on earth  
It's shining bright
