This is the story of a star
He gave up reality for fame
He's the man in the mirror

Money was his best friend
Ludadi dadida
Lights are off, the curtains closed
No one is here now
Ludadi dadida
To turn back the hands of time

Hes the man, in the dark
Trying to see the light again
Hes the man, in the dark
To fall is hard to understand

He's the man in the mirror
He was a hero, he was a superstar
He's the man in the mirror
Searching the spotlight, Searching a fame bizarre

He's the man in the mirror
Ludadi dadida
Hes living inside a nasty world
No one was honest
Ludadi dadida
Searching for the fame he lost
He's the man in the mirror
He was a hero, he was a superstar
He's the man in the mirror
Searching the spotlight, Searching the fame bizarre

The curtain is closed
The camera is off
The make up is washed away
Hes looking in the mirror
Trying to find his inner self
The real world is waiting
He's so afraid to be alone

Time is getting over
Ludadi dadida

The past is running through his hands
No one is waiting
Ludadi dadida
The show is over he's alone
