Vampires are alive
The legends have to survive
We'll never come undone
And we will be fore ever young

Vampires
Get alive

I am a Vampire
I'm a Slave

I Slave through the daylight hence my grave

In the darkness, In the shadows, Here i am

Here i am
I want u to be forever mine

Together tell the end of time

Like a nightmare, neverending, let me
change your world

Vampires are alive,the legends have to survive
We'll never come undone, and we will be forever
young

Vampires are alive, and we will be forever young

Vampires

Vampires are alive
And we will be forever young

Tonight is the night we live a thousand years
don't be scared
don't drowned it tears

Free your spirits after midnight
sell your soul

Let it go

From heaven to hell and enjoy the ride

You here to surrender with your life

Precious victims, my desire

Live eternally
