What a feeling? Beings believing
I can have it all now I'm dancin' for my life

All alone I have cried silent tears full of pride
In a world made of steel, made of stone
First when there's nothing but a slow glowing dream
That your fear seems to hide deep inside your mind

What a feeling? Beings believing
I can have it all now I'm dancin' for my life
Take your passion and make it happen
Pictures come alive you can dance right through your
life

Now I know, I got the chance to reach the top is so
intense
In a world made of steel, made of stone
Now I hear the music, close my eyes, I am rhythm
In a flash it takes hold of my heart

What a feeling? Beings believing
I can have it all now I'm dancin' for my life
Take your passion and make it happen
Pictures come alive you can dance right through your
life

I feel the passion, deep inside, I got strength, I got
pride
In a world made of steel, made of stone

Dancing 'til the end of this night
Like now or never, got strength and pride
When I feel the music I'm losing control
Of my mind, my body, my heart and my soul

Let's go and make this dream come true
For me and for you, we can dance right through
You can have it all, there's no price to pay
Your feelings will show you the way

What a feeling? Beings believing
I can have it all now I'm dancin' for my life

Take your passion and make it happen
Pictures come alive, you can dance right through your
life

What a feeling? Beings believing
What a feeling? Beings believing
What a feeling? I can have it all now I'm dancin' for my
life
What a feeling?
