What it I told you it was all meant to be (eeee)
Would you believe me, would you agree
It's almost that feeling that we've met before
So tell me that you don't think I'm crazy
When I tell you love has come here and now

[Chorus:]

A moment like this,
Some people wait a lifetime,
For a moment like this,
Some people search forever,
For that one special kiss,
Ohh, I can't believe it's happening to me,
Some people wait a lifetime,
For a moment like this

Everything changes but beauty remains,
Something so tender I can't explain,
Well I may be dreaming but till I awake,
Can we make this dream last forever,
And I'll cherish all the love that we share

[Chorus:]

A moment like this,
Some people wait a lifetime,
For a moment like this,
Some people search forever,
For that one special kiss,
Ohh, I can't believe it's happening to me,
Some people wait a lifetime,
For a moment like this

Could this be the greatest love of all,
I wanna know that you will catch me when I fall,
So let me tell you this,
Som people wait a lifetime for a moment... like this!
- Some people wait a lifetime,
For a moment like this,
Some people search forever,
For that one special kiss,
Ohh, I can't believe it's happening to me,
Some people wait a lifetime,

For a moment like this
A moment like this!
Oooohhhh I can't believe it's happening to me,

Some people wait a lifetime for a moment like this...
A moment like this...
