Ooh,
Ooh,
For you
I had a change of heart,
Don't know where to start,
What I'm about to say may surprise you,
But now i see i clear
Life aint always fair,
What can you do,
When you don't wanna hurt him,
Cos you don't deserve him,
And there's no other way (yeah-yeah, yeah-yeah).

I'm breaking down,
I just can't take it anymore,
Oh no, I won't, let you go,
You know I'm coming for you
No matter what it's gonna take,
I gotta make this move,
Your the one, that i choose
You know I'm coming for you.

And I just can't go another day,
Without you next to me (Ooh, Ooh yeah)

Don't know what to say,
I guess I'll take the blame,
Eventually it was bound to happen,
I know you played your part,
I aint tryna make it hard,
But it's the right thing to do,
When you don't wanna hurt him,
Cos you don't deserve him,
And there's no other way (yeah-yeah, yeah-yeah).

I'm breaking down,
I just can't take it anymore,
Oh no, I won't, let you go,
You know I'm coming for you.
No matter what it's gonna take,
I gotta make this move,
Your the one, that I choose,

Cos what we share,

Here i am and I'm coming for you.
