Now you're gone,  
I realised my love for you was strong,  
And I miss you here now your gone,  
I keep waiting here by the phone,  
With your pictures hanging on the wall,

Now you're gone,  
I realised my love for you was strong,  
And I miss you here now you're gone,  
I keep waiting here by the phone,  
With your pictures hanging on the wall,

Is this the way it's ment to be?  
Only dreaming that you're missing me?  
I'm waiting here at home,  
I'll go crazy now you're gone,

There's an empty place in my heart,  
Without my love it'll break apart,  
I hope he never plays away,  
I will think about you everyday,

Are you ready?  
Ready for take off

Now you're gone,  
I realised my love for you was strong,  
And I miss you here now you're gone,  
I keep waiting here by the phone,  
With your pictures hanging on the wall,

Is this the way it's ment to be?  
Only dreamin' that your missing me?  
I'm waiting her at home,  
I'll go crazy now you're gone,

Now you're gone,  
I realised my love for you was strong,  
And I miss you here now you're gone,  
I keep waiting here by the phone,  
With your pictures hanging on the wall,

Is this the way it's ment to be?  
Only dreaming that your missing me?  
I'm waiting here at home,  
I'll go crazy now you're gone,

There's an empty place in my heart,  
Without my love it'll only break apart,  
I hope he never plays away,  
I will think about you everyday
