You can run and you carn't begin  
In a place were you don't fit in  
cuz, love will find away ..yeah..  
When you're down, you can start again  
Turn aroun and you think youre in  
Cuz, love will fin a place ..yeah..

you got one heart you are following  
One dream keeps you wondering  
Love lights your way through the night ....  
One wish keeps you tryin  
Once youre silver linin  
Love light the way through the night ...

You can fall a thousand times  
You can feel like youve lost youre mind  
Love will find a way ohh ..yeah.. ..yeah..  
In a minute it can change youre life  
In a moooment it can make you right  
Love will find a pklace hey ..yeah..

One dream keeps you wondering  
Love lights your way through the night ....  
One wish keeps you tryin

One dream keeps you wondering  
Love lights your way through the night ....

Love light the way through the night ...

Once youre silver linin  
Love light the way through the night ...
