Your looking so frustrating  
Girls will make you trick  
You find out what Im feeling  
Get it out play tricks

Addicted to my body  
You dreamed off at the end  
After all, why don't you understand

Shut up get outta here!  
Don't cry your childish tears  
I never thought of me and you my dear  
Shut up get outta here!  
You've gotta lose your fear  
I know your mind will cheer you up my dear  
Shut up get outta here!  
Why dont you disappear?
