You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you

So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow
Oh oh yeah

Show me a smile then,
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you

So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow
And that's what makes you crazy
And you've taken all you can bear
Just call me up
Because you no I'll be there
And I'll see your true colors

Shining though
I see your true coulors
And that's why I love you

So don't be afraid to let them show
Your true colors
True colours
Are beautiful
Like a rainbow
I see your true colors
And that's why I love you

So don't be afraid to let them show
Shining though I see your true colors
Your true coulors are beautiful like a rainbow
Oh oh *yeah*
