Oh, oh, oh
I'm here in Bucharest!
Oh, oh, it's the city of sin, yeah Bucharest!

Uh, uh, the city of sin!
Yeah, yeah, oh, oh Bucharest!

I left behind all the past,
Yeah and I made everything like want
Because all my life I was the one who'd take the parts
of everyone!
So let me to feel on my skin
The love who's in the air between me and the city of sin
Of sin, oh, oh, oh, I'm here in the city of sin, Bucharest!
I'm here, in the city of sin, Bucharest!

So let me to feel, yeah
So let me to feel, the city of sin, Bucharest, Bucharest
Yeah, yeah, yeah!
Bucharest, Bucharest, Bucharest!
Oh, oh, I'm here, in the city of sin, Bucharest!
I'm here, in the city of sin, Bucharest, yeah!
