[Intro]

Suddenly she's leaving.
Suddenly the promise of life has gone.
Suddenly breathing, is so hard to do...

[Verse 1]

Carefully you planned it,
I got to know a minute just too late, oh girl.
Now I undertsand it,
All the times we made love together,
Baby you were thinking of him.

[Chorus]

Why do I love you?
I don't even want to!
Why do I love you like I do, like I always do!
You should of told me,
Why did you have to be untrue (love you like I do)
Why do I love you, like I do... (Oooh)

[Verse 2]

Aint gonna show no, weakness,
I'm gonna smile, and tell the world I'm fine.
I'm gonna keep my senses,
But deep down when no one can hear me,
I'll be crying for you...

[Chorus]

Why do I love you?
I don't even want to!

Why do I love you like I do, like I always do!
You should of told me,
Why did you have to be untrue (love you like I do)
Why do I love you, like I do... (Oooh)

[Middle-eight]

Can't go back,
Can't erase.
Baby your smiling face (Oh no),
I can't think of nothing else but you.
Suddenly...

[Chorus]

Why do I love you?

I don't even want to!

Why do I love you like I do, like I always do!

You should of told me,

Why did you have to be untrue (love you like I do)

Why do I love you, like I do... (Oooh)

Why do I love you? (Love you!)

I don't even want to! (Want to!)

Why do I love you like I do, like I always do!

You should of told me,

Why did you have to be untrue (love you like I do)

Why do I love you, like I dooooooooooooo!
