Dj Cammy 2004

You're my hunnybun, sugarplum,
Pumpie-umpie-umpkin, you're my sweetie-pie,
You're my cuppy-cake,gum-drop, snukkum-snukkum
Snort, the apple of my eye, and i love you so
And i want you to know that i'll always be right here,
And i love to sing these songs to you because
You are so dear.

(Man) - Oh I'm sorry, I had the turn table at the wrong
speed,
Want to try it again?

(Second Man) - Who the Fuck Are You?!

Dj Cammy

(Chorus)
Celebrate the summer back into the scene,
Celebrate the feeling, you and me
Take me to the ocean, live a life supreme
Take me to the hot summer dream.

(Ladies and Gentlemen)

Kicking the place, ya like this see
I Work Nights on, well you see, I'm fine
Well I'm like candy chuck versus the two robo men, two
Robo's
All for the fall and I'm very MC'd up and come on,
I don't play, I ain't no toy thats because I'm sexy boy

I don't deserve, cos I got a 20 in my pocket you
understand?
I'm a rocket, shake that ass, go berserk,
Don't just stand there like a Criminal,
Thats the way to take a chance, now let me see you
dance,
I'm a freak, change the sound and I just cant help
myself.

(When I grow up I wanna be a Dj)
