(beanie sigle)

F*** the specilation chark over,
But nigga dig this, im bout to sunkiss like the soda,
And make j to the mmmmmmmwwwwwwaaaaaaa,
Put his lips on his 9 and make him kiss the game
goodbye,
You bout to really make me hurt you kiss,
Spittin candy bars this niggaz sweeter than a hershey
kiss,
Got me heated bout to work the fifth,
Desel on the purple shit,
The rev gotta get a church for kiss,
You broke,talking bout you rock your self out,
When i see you gonna really wish you knock you self
out,
Messin with sigle need the whole lox to help out,
Is just me, i dont need the roc to help,
I could tell why styles say he the ghost of the shit,
I could tell by your rhymes you write most of shit,
U aint mmmmmwwwwaaa,u aint shit you bitch.
