DJ CLUE! ANTOINE!
GIRLFRIEND! WHAAAAAAAAAAT!

(Antoine)
I see you walking through the high school halls
In the classroom two seats across
Away from me
Baby can't you see (you are)
The kind of girl that a guy lives for
The kind of girl that you can't ignore
Cause I'm the one who really wants you girl.

(chorus)
I wanna show you (yeah)
Just how I feel
Won't you be my girlfriend
Girlfriend
I wanna show you how much you mean
Won't you be my girlfriend
Girlfriend

(verse 2)
You know I watch you cause you watch me
But that ain't how it gots ta be
Cause I want you
Just like you want me

(chorus)

Girl can I please take the time
By telling you you're fine

Cause I know you want me baby, yeah
