I got to say it and it hard for me
you got me crying like i thought i would never be
love is believing but you let me down
how can i love when you when u ain't around?

Do i looked in the mornin and you never call
love should be everything or not at all
and it don't matter whatever do
i made a life outa loving you

Why do you have to be a heartbraker?
is it a lesson that i never knew
everything i'd ever found and abundond
my love for you

Why do u have to be a heartbraker?
when i was being what you want me to be
finally everything i've ever wanted
has passed me by

My love is stronger than the universe
loves always crying for you
and i wouldnt be worth
you made the rules and you could not see
you made a life out of hurting me

Why do you have to be a heartbraker?
i'm always being what you want me to be
finally everything i'd ever wanted
has passed me by

Why do you have to be a heartbraker?
everything i'd ever found and abundond

Why do you have to be a heartbraker?
is it a lesson that i never knew
everything i'd ever found and abundond
my love for you

Why do u have to be a heartbraker?
when i was being what you want me to be

finally everything i've ever wanted
has passed me by
