[Jagged Edge]

[intro]

Come and talk to me, I really wanna meet you girl  
I really wanna know your name.  
Come and talk to me, I really wanna meet you girl  
I really wanna know your name.  
Cause you look so sexy, you really turn me on  
Blow my mind everytime i see your face.  
Cause you look so sexy, you really turn me on  
Blow my mind everytime i see your face.

[Fabolous][verse 1]

And even though whatever they call you  
Forever I'm loyal, do whatever to spoil you  
The way you fit them jeans, seven should call you  
That ass have me makin heavy withdrawls  
I'm smooth when i approach, and i stare at them stones  
Make you move in with the coach, and leave them  
players alone  
We could talk bout it, get a bottle pull the cork out it  
One convo and then you in the condo

[Jagged Edge]

I've been watching you, for so very long  
I'm trying to get my nerve built up, and be so strong  
I really wanna meet you, but im kinda scared  
Cause your the kinda lady, with so much class  
I get my thoughts together, for the very next day  
But when i see you lady, i forget what to say  
Your eyes and hair, such a beautiful tone  
The way you dress and walk, it really turns me on

[Jagged Edge][Chorus][x2]

Come and talk to me  
I really wanna meet you  
Can i talk to you?  
I really wanna know you

[Jagged Edge][verse 2]

There you are again, since finally babe

I wanna know what it is, that make you feel this way  
I wish i could grab you, tell you what it means to me  
You walking my way, and it really makes my day  
Before i go to leave, and dream about you  
I'm a single man, and i hope you are single too  
But we'll see, something that will set my mind free  
Cause curiosity, is bugging the hell out of me,  
yeah..babe

[Chorus][x2]  
You wanna tell me your name?  
I wanna play your game.

[Fabolous]  
J.E. boys  
F to the a.b.  
See i catch a girl eye when i play the club  
Cause they aint seen a diamond dance like this  
Since lisa ray in the players club  
They might say it's love but you seen the way it rub  
I would say they must've missed a couple inches boo  
I seen them heels you wearing a couple inches too  
Come with me i'll show you what a couple inches do  
But first, i was hoping on,  
We could sit and talk  
You know get our oprah on,  
And we can down martinis  
Faster than lamborghinis  
At places where they only wear trunks and bikinis  
I don't talk game like a sports commentator  
That'll get you sex now  
And a court problem later  
I rather be real, cause even while having these mils  
I'm down to earth, like gravity still  
But you look so sexy  
You really turn me on and on and on  
And on and on and on  
And on and on and on

[jagged edge]  
I wanna know  
Whooaaa  
Whooaaa  
Wont you tell me your name?  
Ooooh ohh
