Goodbye, sweet love of my life  
Losing you cuts as deep as a knife  
I know I did you wrong  
And things weren't right  
But I loved you girl  
More than life

More than life...

Jag k  nner en bott, hon heter Anna, Anna heter hon  
Och hon kan banna, banna dig s   h  rt  
Hon r  ljer upp i v  ran kanal  
Jag vill ber  tta f  r dig, att jag k  nner en bott  
Jag k  nner en bott, hon heter Anna, Anna heter hon  
Och hon kan banna, banna dig s   h  rt  
Hon r  ljer upp i v  ran kanal  
Jag vill ber  tta f  r dig, att jag k  nner en bott  
Som alltid vaktar alla som   r h  r  
Och som ser till att vi blir utan besv  r  
Det finns ingen take-over som lyckas  
Kom ih  g att det   r jag som k  nner en bott  
En bott som ingen, ingen annan sl  r  
Och hon kan kicka utan att du f  r  
Hon g  r sig  
Av med alla som spammar  
Ja, inget kan sl   v  ran bott

Do you like it?

(Ready for take off)

Do you like it?

How 'bout this one?

Do you like it?

How 'bout this one?

Do you like it?

How 'bout this one?

There's a place in my mind  
No one knows where it hides  
And my fantasy is flying  
It's a castle in the sky

It's a world of our past  
Where the legend still lasts  
And the king wears the crown  
But the magic spell is law  
Take your sword and your shield  
There's a battle on the field  
You're a knight and you're right  
So with dragons now you'll fight  
And my fancy is flying  
It's a castle in the sky  
Or there's nothing out there  
These are castles in the air

Fairytales live in me  
Fables coming from my memory  
Fantasy is not a crime  
Find your castle in the sky

Walking the street  
Feel not complete  
My head is over  
Can't understand which is my land  
I wanna reach it

I need an aid  
Don't want to fade  
Something that help me  
Looking around  
I'm falling down  
Maybe have to

Finally know  
Pick up from low  
It's easy do it  
I understood I have to move  
Leave music come in  
My body wait, quiver on gate  
I wanna start now!  
Hip hop is cold, no one to hold

I don't want to keep in cage  
But put a play on the stage with you

It's a tango dance  
Give us chance

To touch the high feel sense  
Sure became a fans of this hot dance  
No one can know it's real ends

Hanging to your neck, hand on back  
You give me a thrill, I will  
Take my breath away, here I stay  
High tango dance, new romance
