I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way
I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way

It's a jazzy fizzle product sizzle
The princess is here
Ciara
This beat is auto

I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way
I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way

I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way
I need you
Your everything you are
Your my shining star u light up
All I need to c u guide me on my way
