The kisses of the sun,
Were sweet I didn't blink,
I let it in my eyes,
Like an exotic drink
The radio playing songs
That I have never heard,
I don't know what to say,
Oh not another word

(Chorus)
Just la la la la la,
It goes around the world,
Just la la la la la,
It's all around the world,
Just la la la la la,
And everybodys singing,
La la la la la,
And now the bells are ringing,
La la la la la, la la la la la la la (x4)

Inside an empty room,
My insperation,
Just can't wait to hear the tune,
Around my head it goes
Imaginality,
You can just sing with me,
Just la la la la la,
The music is the key,
And now the night has gone,
Still it goes on and on
So deep inside of me
I long to set it free,
I don't know what to do,
Just can't explain to you,
I don't know what to say,
Oh not another word,

(Chorus)
Just la la la la la,
It goes around the world,
Just la la la la la,
It's all around the world,

Just la la la la la,
And everybodys singing,
La la la la la,
And now the bells are ringing,
La la la la la, la la la la la la la (x4)

La la la la la,
It goes around the world,
Just la la la la la,
It's all around the world,
Just la la la la la,
And everybodys singing,
La la la la la,
And now the bells are ringing,
La la la la la, la la la la la la la (x8)
