Come on ride me, excite me  
We gon' prove it, you and me let's (Do It) (Repeated)

Do It baby, Do It putcha hands on my cock  
Let the panties drop, gently rubbin' ya twat  
Ya sittin' there beggin' so I go on down  
My tongue go around, passion is the only sound  
Now switch it up, put that tongue ring to work  
Flippin' it all around's gotten my legs startin' to jerk  
So saddle it up, come on, ride my pony  
Start workin' ya hips and show me that you're horny  
Witcha legs up on my shoulders, the sex has got ya  
moanin'  
Hot lovin', sweat rollin', we won't stop til' the early  
mornin'  
I'm freakin' you out withcha nails to my back  
Goin' deeper up inside you is how I react  
Holdin' eachother tight as we go faster  
Our bodies in a single rhythm, drift away to the finer  
pasture  
I can feel you cummin' as this night ends  
Could it get better? Yes. Tommorow we'll do it again

Come on ride me, excite me  
We gon' prove it, you and me let's (Do It) (Repeated)

Ima make tonight better, a little role play  
I'm the rich rapper, and you're my french maid  
You dustin' on my bed, puttin' on a show  
Make it like you drop sumthin, and pick it off the floor  
That's when I walked up and kissed you on your ear  
I caressed you softly, diminishin' all your fear  
You put on a little strip tease, for only me  
I wrap a bandana around your eyes and make you sexy  
Get out the body oil, rub every inch of you  
Lick it all up and let the pleasure continue  
Bringin' cherries, strawberries, all the sexual fruit  
Watch your body quiver as I lick up all your juice  
Our skin together in the heat of the passion  
Our hearts run together in this moment everlastin'  
Sexin' in this room, there's nuthin' but candle lit

Lost in the night, so let's Do It, Do It  
Come on ride me, excite me  
We gon' prove it, you and me let's (Do It) (Repeated)

Our bodies under the moon, Shh, just listen  
The sex I'm inflictin's like a strong addiction  
Wrap your legs around, look me in the eyes  
Feel me stimulate your mind, it's better than any high  
You can't deny I fulfill your every fantasy  
But I gotta say, you workin' it is so sexy  
You ride it like a pro, til' the break of dawn  
Damn baby gurl, you got it goin' on  
Now I got you holdin' me, curlin' up your toes  
That's it baby, like that hoe  
Cuffs an' chains, candy canes, all that kinky stuff  
Whip creamin' am I dreamin'? I just can't get enough  
Now while we're layin' here there's no such thing as  
class  
I'm waxin' anda taxin' your fine ass  
Our fluids all over, so we're just layin' in  
Ima go ahead and say it, I love doin' it

Come on ride me, excite me  
We gon' prove it, you and me let's (Do It) (Repeated)
