I love you, you love me, we're a happy (Gunshots)  
Shut tha fuck up!

Oh, it's a murda party, and ima kill Barney  
Crack his fuckin' skull wit a bottle of Bacardi  
Msiss Piggy, Kermit, faggot ass muppets  
Raggedy puppets, they dead anyway, so fuck it  
It's a beautiful day in the neighborhood  
Cancer got to ya first, but it's all good  
Lamb Chops, exactly, good eats  
Cook ya ass up on Sesame Street  
Bannana's In Pajama's, can't stand us  
Attempted murder, but we smoke too much, they out  
ran us  
Telletubbies, fuck Tinky Winky  
Die mutha fucka, c'mon think quickly  
Missed oh shit, when I took a shot  
But hey, at least I hit Baby Bop  
Now kids, ya feelin's, I didn't mean to hurted'em  
But these wack children role models, I done  
murdered'em

(Barney Theme to the beat)

Sesame street has been a re-run for the last decade  
And 'cause of me the guy from Reading Rainbow never  
got paid  
This program's been brought to you in part by bitches  
like you  
I bust Blue in the head that's why he talks like \*Baboo-  
Boo\*  
Went up to the wack show headquarters, PBS  
And there was Barney smokin' up on some cess  
I took out Telletubbies 'cause they got too much fame  
Now Tinky Winky refs at all the CFG basketball games  
Sayin' I love you, and you love me  
That wack show creates dysfunctional families  
The new shows piss me off, like Rolie-Polie-Olie  
I walk up to that bitch like, whuts up on my forty?  
Shoulda seen Lamb Chops when I killed her friend  
Now we'll see if that song will ever end

Now back to Sesame Street, I reach into my pouch  
'cause I only smoke out with my homie Oscar The  
Grouch

(Barney Theme to the beat)

The Care Bears (Dead) Berenstein Bears (Dead)  
All the furry little bitches, bitch you heard what I said  
Listen to me, I take my forty  
Then I crack it over all they fuckin' heads even Barney  
Feelin' horny, so I fuck me a Miss Piggy  
Smacked her in the mouth, then I cracked her head on  
the chimney  
Sesame Street, knock'em off they feet  
Goldilocks, Three Bears, suck on this meat

Bert and Ernie, they can both fuck off  
I'm walkin' down Sesame Street with my muthafuckin'  
sawed off  
I blow they heads off (Bang Bang) oh whut you gonna  
do?  
Fuck the Power Rangers, and all the Poke'Mon too  
Not to mention, that non-talkin' muthafucka, Scooby-  
Doo  
Just listen, fuck him and his Mystery Crew  
I ain't got a problem, I can't stand'em  
If I could get'em all together I would fuckin' back  
hand'em

(Barney Theme to the beat)
