DJ CLUE! ANTOINE!  
GIRLFRIEND! WHAAAAAAAAAAT!

(Antoine)  
I see you walking through the high school halls  
In the classroom two seats across  
Away from me  
Baby can't you see (you are)  
The kind of girl that a guy lives for  
The kind of girl that you can't ignore  
Cause I'm the one who really wants you girl.

(chorus)  
I wanna show you (yeah)  
Just how I feel  
Won't you be my girlfriend  
Girlfriend  
I wanna show you how much you mean  
Won't you be my girlfriend  
Girlfriend
