Dj Company
"Forever Young"

Let's dance in style let's dance for a while
Heaven can wait we're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?

Let us die young or let us live forever
We don't have the power but we never say never
Sitting in the sand pit life is a short trip
The music is for the sad man

Can you imagine when the race is won?
Turn out all the faces into the sun
Praising our leaders they're getting in tune
The music's played by the...the mad man

Forever young, I want to be forever young
Do you really want to live forever? Forever, ooh and
ever?
Forever young, I want to be forever young
Do you really want to live forever? Forever young

Some are like water some are like the heat
Some of them melody and some of them beat
Sooner or later we all will be gone
Why don't we stay young

It's so hard to get onto another course
I don't want to perish like a fleeing horse
Youth is like diamonds in the sun
And diamonds are forever

So many adventures didn't happen today
So many songs we forgot to play
So many dreams swinging out of the blue
Let them come true

Forever young, I want to be forever young
Do you really want to live forever? Forever, ooh and
ever?
Forever young, I want to be forever young
Do you really want to live forever? Forever, ooh and
ever?

Forever young, I want to be forever young
Do you really want to live forever?

Do you want to live forever young?
Do you want to live forever young?
Forever young, oh oh oh

Forever young, I want to be forever young, oh oh oh
Do you really want to live forever? Forever, ooh and
ever?
Forever young, I want to be forever young, yeah yeah
Do you really want to live forever? Yeah, yeah, forever
young
