And if you feel the need to make love till the end of  
night  
And if you wanna make love till you see morning light  
It's the rhythm of my love, oh yeah, the rhythm of love  
It's the rhythm of my love, oh yeah, the rhythm of love

Ooh we explode on emotional overload  
When I come down you get high  
Together we could fly  
Yo, when it gets real rough  
You still can't get enough  
No, come at me to do  
The things you want me to

Full acceleration to the point of elevation  
We were tied above to the rhythm of a love  
Nobody can stop us and nobody can drop us  
Yo, 1 2 3 4 we got the rhythm!

Yeah check it out  
Hey can't you feel it  
You can't take my beat and steal it  
Issue me, the one and only  
Believe me I'm no phony  
Yo when I come down  
Your mind stop spinning round  
You and your soul under my control

Full acceleration to the point of elevation  
We were tied above to the rhythm of a love  
Nobody can stop us and nobody can drop us  
Yo, 1 2 3 4 we got the rhythm!

We got the rhythm (3x)  
We got got the rhythm  
We got the rhythm  
We got got the rhythm

Yeah yeah yeah yeah  
Ooh yeah hea  
I got the Rythm

And if you feel the need to make love till the end of  
night  
And if You wanna make love till you see morning light  
It's the rhythm of my love, the rhythm, oh yeah, the  
rhythm,  
The rhythm of love  
It's the rhythm of my love, the rhythm, oh yeah, the  
rhythm,  
The rhythm of love
