Well I'm doin' bad and I hope your day's ruined  
When you're on stage I'm the one that's boo'in  
Cuz I hate your guts, hi hi

I be in the pussy slurpin'  
Why you and life so goddamn perfect?

Cuz my life sucks and it serves no purpose  
I'm gonna fuck her just to make shit worth it  
Yea, bag it. Why the fuck do you have it?  
Why the fuck don't I got it and  
Is any way I could stop it?  
It's perfect, fuck your moms, dads, homies I bet you

Fuck yo food, the protein  
And in the fuck you eatin' with?

Get pregnant and then make you think that it's yours  
Now that's the real definition of sneak diss  
I'm Silky Johnson's left hand
