I'm gettin' money, I'm ballin' hard
Heard them niggas hatin on me, cause they fallin' off
Honestly bitch, I'm ballin' hard
Yeah It's my time, and I'mma shine just like my
audemars, my audemars
Bust down, and iced out
Just hit the switch, that bitch be shining when the lights
out
Bust down, and iced out
Look at my wrist, that bitch be shining like a lighthouse

I spit a verse, that's like a point
I do it short, that's like a joint
That's like a bird, oh nigga you ain't heard
I'm in the mix in like a saute when it's gettin stirred
Pull up in the Maserati, got them bitches lookin' at me
like I shot somebody
I'm stackin' paper, I need that dropped Ferrari
Got them trying to claim a nigga and we not on Maury
My AP, cool as an A/C
Look in the magazine, the same exact as Jay-Z (Same
one)
I'm gettin' money, nigga you straight flea
That bitch be shining thunder up I call it KD
I'm ballin' in this bitch like it's my motherfucking born

Pull a bunch of these white bitches, I'm chillin hard at
the Pink Pony
Gucci Mane and Meek Mills, I'm ballin hard, I'm too trill
New ride with new money, so I had to put it on new rims
Hawks game, I'm courtside
Red bottles on the wet floor, give them up to the
athletes
Smellin like a pound of dro, Versace shades I'm yoked
out
Rolls Royce it smoked out, parked in front your whole
house
I blew the horn, she jumped out
Maybach on cascade, the one on down my west side
4 girls, only fucked 3
Cause one left, and she missed out

I'm gettin' money, I'm ballin' hard
Heard them niggas hatin on me, cause they fallin' off
Honestly bitch, I'm ballin' hard

audemars, my audemars
Bust down, and iced out
Just hit the switch, that bitch be shining when the lights
out
Bust down, and iced out
Look at my wrist, that bitch be shining like a lighthouse
