Because I'm ballin'™

If my phone ring that's money calling  
Smell my weed it come from Cali  
All my rings are filled with diamonds  
Smoke a lot of marijuana on the top because the

Haters mad at what I got because I grindin'™  
Now they say that he got game I make it rain like Jesus  
Christ

Money fallin'™ from the sky like rain  
Right now I'm just tryin'™ to get me some  
Everybody wants to get paid  
Counting so much money our fingers numb  
Dollas, Dollas, Dollas hooray  
That's™ why everynight we wanna be in the club  
Nobody ain't tryin'™ to save  
Spend each and every dollar as soon as it comes, baby

Hoopin'€™ 365, call that consistent ballin'€™  
No carpet, that'€™ s alpaca nigga you gotta blott it  
I ain't in this for profit  
But since I got it I'€™ m poppin'€™  
My lyrics may seem misguided to the petite and simple  
minded  
But I'€™ m so out this world  
Yeah nigga be sola flexin  
When it come to this cash man  
I ain't ever use no discretion  
Dollas dollas dollas  
Just spot '€™ em, you gotta chase '€™ em  
See my arrested developments probably the ones to  
blame  
For my blatant void of concern no care for an obligation  
I stared death in the face and told '€™ em prepare for  
annihilation  
And I always had ambition  
Couldn't nobody tell me nothin'€™  
I was on the hustle since I was this big

Money fallin'€™ from the sky like rain  
Right now I'm just tryin'€™ to get me some  
Everybody wants to get paid

In the land of the free  
And in the home of the brave  
There's money to make (make)  
That's what it takes, that's what it takes  
Here in the U.S.A  
Where the laws are made  
Where crime still pays  
There's money to make  
That's what it takes  
Here in the U.S.A
