It feel like the same old story, everywhere that I go  
And I don't really wanna do it all again tomorrow  
So I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
It feel like the same old bitches, same old haters  
See me in the club, wanna come sit at my table  
I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
Motherfucker

No handouts for no niggas  
No handouts for no bitches  
Killed the underground with my lifestyle  
I'll let y'all fucks be the witness  
But I'm losing my mind  
On the block like 9 and a 9  
Well until it got pined  
You ain't know that it's something about time?  
We didn't care about that  
Remember the time I said I rapped?  
Then the niggas came after  
Even the hoes was full of laughter  
Flew back to the booth, went harder  
Now node your heads to the product  
Suck a nigga dick like he hotter  
Slinky on the booty like your father

Beard look like Osama  
Don't talk to me less about commas  
Real shit, Go time get a meal tip  
Save your compliments for the comments  
Getting money is my assignment  
Will still be in the set...

It feel like the same old story, everywhere that I go  
And I don't really wanna do it all again tomorrow  
So I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
It feel like the same old bitches, same old haters  
See me in the club, wanna come sit at my table  
I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new

Motherfucker

Damn, these niggas hating, I can't understand  
I'm your favorite's favorite, you the fan of a fan  
I feel like if I fall off this boat I could walk

Shorty said she coming, she bringing a friend  
They ain't smoking with me, though, cause they didn't  
put in  
Bitch, I be touring with Tunechi and Mack  
Saluting Stunna on the way to the stage and way back  
How many niggas you know chill on the block with they  
fam and  
Tell you if you need something handled, go and holla  
at Nick Cannon  
Still spitting like I'm trying to get the deal  
Don't fly private all the time, but I fly private with  
Shaquille

It feel like the same old story, everywhere that I go  
And I don't really wanna do it all again tomorrow  
So I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
It feel like the same old bitches, same old haters  
See me in the club, wanna come sit at my table  
I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
Motherfucker

Same old haters, niggas just don't give a fuck  
Tired of that old shit, swag is on some Bentley truck  
Tired of these zeroes, ain't nobody near, though  
Cause ain't nobody ready, throw the paper like confetti  
Man, I get jobs, a hundred stack  
Ya'll miss Jobs, like Wozniak  
I make y'all insomniac?  
No more sleeping, nigga  
What you thinking, nigga?  
I got your girl and need that E like we the Weeknd,  
nigga  
People figure, cause I don't like it unless it's brand new  
Everything is old news, even all your club clothes  
Look like shit I wear when I need something from the  
Whole Foods  
Royalty the newest niggas fucking old dudes

It feel like the same old story, everywhere that I go  
And I don't really wanna do it all again tomorrow  
So I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
It feel like the same old bitches, same old haters

See me in the club, wanna come sit at my table  
I'm trying to find something brand new  
I'm sorry if you see me and I'm acting brand new  
Motherfucker
