[Chris Brown - Verse 1]

I aint gonna lie, I'm fiendin' cause I need it
And I'm diggin you a lot, now you still catching feelings
But I'm feeling on your spot, no kidding when I hit it
I be leaking on your spine, playing with your mind
I aint gonna stop when I finish, I be in it
I be f-cking with the lights on, thats the shit that I'm on
Give it all I got, your body and my body
We be feelin', scratchin', screamin'

[Hook]

[J. Cole: Verse 2]

One thing you should know about me is I never play to
lose
Always aim high and rarely obey the rules

Never tell my business, if I did, it'd make the news
They say time is like money, you should come here pay
your dues
And come and kick, can I get a minute, maybe an hour
Would you let me peek my head in for a second while
you shower
I bet you got some real good power if you feel me
I'm on some Marvin Gaye shit, you know just whats gon
heal me, baby

[Chris Brown - Verse 3]

I said excuse me, Mrs Officer can you go undercover
for me

Aint enough liquor in your cup, let the waitress in then
let her pour it, up
I'm tryna get you drunk as f-ck, take her to my crib then
I lock her in them handcuffs
Panties off, stupid booty, ready for war: Call Of Duty
She said I got the right to remain silent
And I gotta give it to her rough but I better not get
violent, hah
Girl my chain feel like an anchor
And when I told you to use your head I aint want you to
be no thinker
And we aint gon' waist this drink up, these haters all
like hankers
While I'm countin' all this paper, and my ears shine like
twinkle
Big star, get my car, I valet that
You're weak nigga, p-ssy in the street cause you're
alley cat
And I'm loyal to my fans cause I love 'em
So girl if you a fan, you can meet me undercover like
