Feat. Slipknot, Jamey Jasta of Hatebreed

"The confrontation was not created by the police, the confrontation was created by the people who charged the police. The policeman isn't there to create disorder, the policeman is there to preserve disorder."

[Chorus:]  
DOMINATION  
You can't get me  
DOMINATION  
You'll never get me

Keepin us thinking of how to pay our bills while "they" roam through our lives with flashlights  
Keep our attention away from issues that "really" effect our society  
While "they" are busy creating problems and offering solutions!  
Keep us busy with our "simple" lifes  
While "they " make descions in disguise of our benefit.

[Chorus]

Keep us in the dark about the system keeps us confused and distracted  
Turn you shoulder, I'll never give them total fucking control.  
Keep us preoccupied with bullshit while our defenses are lowered

Tighten the reigns and gain control  
Confusion, confusion brings profit

[Chorus]

Broken backs and bloody knuckles  
Forgotten fathers and long lost uncles  
Who fought for freedom through piles of lies  
It was for our rights our ancestors died  
War brings profit and profit breeds greed

For those who died in vain, god speed  
And to those who rewrite the constitution  
Fuck off and die mutherfucker, it's our revolution  
It's our revolution  
REVOLUTION

[Lead]

"sex and race have been the primary ways of  
organizing human beings into superior  
and inferior groups"

just because YOU are not paranoid does not mean that  
THEY are not out to get YOU  
who are the puppets and who is pull's the strings, keep  
us ignorant as they choose the kings
