You keep me down
I don't need you no more
Bad feeling gone
You can't hurt me no more

I've spent most of my life fuckin' around
Now it's getting me too down
It's a waste of my time hangin' here
It's too late to change me

You keep me down
I don't need you no more
Bad feeling gone
You can't hurt me no more

I'm set in my own ways
Life's too short to worry about your say
I'm at the end of my rope when I'm with you
I don't think I'll make amends

When you get out of my life
It's too bad that I won't miss you
Now it's time I move on with my life
I doubt I will say Amen

[Incomprehensible]
[Incomprehensible]
I doubt I'll Amen
I doubt I'll Amen

Bad feeling gone
You can't hurt me no more

I've spent most of my life fuckin' around
Now it's getting me too down
It's a waste of my time hangin' here
It's too late to change me

It's too late to change me
I'll live for make amends
I'll never say Amen
I'll never say Amen

You keep me down
I don't need you no more
Bad feeling gone
You can't hurt me no more
