I make now a stand for belief that I'm steadfast  
In hating all of the bullshit you give me  
About my future, present and past

Who are you to infringe your values upon me?  
(I've learned the hard way)  
Stepping on my toes, you've put my back to the wall  
(My back to the wall)

I've been told a thousand times to give respect when  
due  
Why do you find it so hard to believe, I've got none for  
you

It's my heart and my mind that I'll always follow  
(I will not break)  
Nor will my balls although that I've seen that you've  
tried before  
(Why are people fake?)

Maybe you're older, wiser in your own right, it's your  
mistake  
I'm gonna do my own thing regardless, my choice to  
make  
I am real, in touch with my feelings and I know my  
place  
You have shown, on the other hand, both sides of your  
face

I see the world in a different light  
Things are always black and white  
Through all these years still to this day  
My hardened eyes see only shades of grey

I would never try and tell you what was right from  
wrong  
Maybe that's why you feel that I don't belong  
Always put me down for things I've said and done  
Can't you see it's a war that can't be won

A war that can't be won

Living in your world seems so clear on concise  
Shutting out reality makes everything so nice  
Paint a pretty picture, black and white everyday  
See my tattered canvass bleeding shades of grey

Maybe you're older, wiser in your own right, it's your  
mistake  
I'm gonna do my own thing regardless my choice to  
make

Shades of fucking grey
