be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Well, hereâ€™s another one in the gutter one, getting  
running up

Troublesome extra double double I come to feed them  
The feed 'em then I shred 'em, so what if that lâ€™m  
cheating

Now everyone wanna sound grimy

lâ€™m gonna show you how come on all and together  
now

Yeah, ohh yeah, yeah, thatâ€™s how we gotta be  
So stop trying to beat loud as me 'cause you canâ€™t  
do that

Think about the pay offer so left with an automatic rifle  
For last against the lighting last bullets first, on line  
Toughest step and a rep and a run rep and a run wreck  
and a swine

Peace to the brothers on Rikerâ€™s isle

Pumping up a tremple and didnâ€™t like his criminal  
lickinâ€™

Buck my eye tonight, oh my God, lâ€™m so high  
Just they say a Rodney say you like a crimum, what?  
Just they say to make get making milliagh, children,  
slam

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys

be boys  
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Iâ€™m the mean nasty grease smashing ever slow  
gashing  
Sticky swift blast of the basty of the basty basty bast  
bashing  
Then I provide I provide the you was cheat  
Beside the getto five make me feel like Jekyll and Hyde  
of course

I come across with no fear, for sure  
Un-adulterated, un-conformed  
Disgusted, busted you wanna touch it, to hot  
You forgot, youâ€™re not ready, youâ€™re head could  
get ruptured

Hit between the eye, I planned the plan alive  
Iâ€™m the plonic sonic, uh rule with the bads guys  
The villain, crooks, hot midas in confide us  
See the big jerk put you look inside us

My mind, itâ€™s graphic, expresstic graphic  
Kill the cop because itâ€™s kept all mastic  
Directinâ€™ it, when yâ€™all least expected it  
And thought it was safe, onyx hit you in the face so

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys  
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys  
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys  
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Iâ€™m a B-boy standin' in my B-boy stance  
Hurry up and give me the microphone before I bust in  
my pants  
The mad author of anguish, my language, polluted  
Onyx is heavyweight, and still undisputed

He took the words right out my mouth and walked a  
mile in my shoes  
Iâ€™ve paid so many dues, I feel used and abused  
And Iâ€™m so confused, umm, excuse me, for  
example  
Iâ€™m the inspiration for a whole generation

And unless you got ten sticky fingers, it's straight

imitation

A figment, of your imagination, but, but, but, but wait it  
gets worse

I ain't m not watered down so I ain't m dyin' of thirst

Comin' through wit a scam, a foolproof plan

B-boys make some noise, and just, just

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys  
be boys
