Well, here?s another one in the gutter one, getting
running up

Troublesome extra double double I come to feed them
The feed 'em then I shred 'em, so what if that I?m
cheating

Now everyone wanna sound grimy

I?m gonna show you how come on all and together now
Yeah, ohh yeah, yeah, that?s how we gotta be
So stop trying to beat loud as me 'cause you can?t do
that

Think about the pay offer so left with an automatic rifle
For last against the lighting last bullets first, on line
Toughest step and a rep and a run rep and a run wreck
and a swine

Peace to the brothers on Riker?s isle

Pumping up a tremples and didn?t like his criminal
lickin?

Buck my eye tonight, oh my God, I?m so high
Just they say a Rodney say you like a crimum, what?
Just they say to make get making milliangh, children,
slam

I?m the mean nasty grease smashing ever slow
gashing
Sticky swift blast of the basty of the basty basty bast
bashing
Then I provide I provide the you was cheat
Beside the getto five make me feel like Jekyll and Hyde
of course

I come across with no fear, for sure
Un-adulterated, un-conformed
Disgusted, busted you wanna touch it, to hot
You forgot, you?re not ready, you?re head could get
ruptured

Hit between the eye, I planned the plan alive
I?m the plonic sonic, uh rule with the bads guys
The villain, crooks, hot midas in confide us
See the big jerk put you look inside us

My mind, it?s graphic, expresstic graphic
Kill the cop because it?s kept all mastic
Directin? it, when y?all least expected it
And thought it was safe, onyx hit you in the face so

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys
Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

I?m a B-boy standin' in my B-boy stance
Hurry up and give me the microphone before I bust in
my pants
The mad author of anguish, my language, polluted
Onyx is heavyweight, and still undisputed

He took the words right out my mouth and walked a
mile in my shoes
I?ve paid so many dues, I feel used and abused
And I?m so confused, umm, excuse me, for example
I?m the inspiration for a whole generation

And unless you got ten sticky fingers, it's straight
imitation
A figment, of your imagination, but, but, but, but wait it

gets worse
I?m not watered down so I?m dyin' of thirst
Comin' through wit a scam, a foolproof plan
B-boys make some noise, and just, just

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys

Slam, duuh, duuh duuh, duuh, duuh duuh, let the boys
be boys
