I know you want pop, you want dance, you want rock  
and roll

You wanted boom boom? This year's remix got  
symphonic soul

I got pop, I got dance, I got rockin' electronic club  
beats,  
I got hip-hop music with the future flow

So don't worry, even if the sky is falling down, down,  
down

Gonna be ok when it knocks you down, down, down,  
So baby don't worry, it's alright, a-alright when it  
knocks you down

When you go down, when you go down down  
No need to worry, just pick back up when you're  
tumbling down,  
down, down (down, down)

It's like I've been awakened  
Every step I'm taking  
Every rule I had you breaking  
Every move I'm making  
The risk that I'm taking  
The chances I'm taking  
With a big smile on my face  
And it never seems out of place

Blame it on the pop, blame it on the dance, blame it on  
the rock and roll

Blame it on the rumba, so in sync with the symphonic  
soul

I like that pop, I like that bass,  
I like them rockin' electronic club beats  
Blame it on the hip-hop music with the future flow

Baby, don't worry, it's alright, a-alright when it knocks  
you down

Somewhere far along this road,  
Stressed out, I wanna let it go, I feel down, down, down  
(baby are you down, down, down, down, down)

And oh, (hey) I've been traveling on this road too long  
(too long)  
Just trying to find my way back home (back home)  
The old me is dead and gone, dead and gone

I gotta feeling  
Woo hoo  
I found God

Blame it on the pop, blame it on the dance, blame it on  
the rock and roll  
Blame it on the feeling of the music deep insi-i-i-ide  
your soul  
We got the pop, we got the dance,  
we got the rockin' electronic club beats  
We got the hip-hop music with the future flow

People in the place  
Put your put your hands in the air  
Now put your hands up, oh, oh, oh, oh, oh  
Forever united here,  
Blame it on the po-po-po-po-poker face po-po-poker  
face

So live your life (hey!)  
Let's live it up (Ho!)  
If you wanna get down (Hey!)  
down (Ho!) down (Hey!)  
Muh muh muh muh (Ho!)  
I wanna get down, (hey!) down, down (Ho!)  
So baby, don't worry, it's alright, a-alright when it  
knocks you down  
When you go down, when you go down down  
No need to worry, just pick back up when you're  
tumbling down,  
down, down (down, down)

Blame it on the pop, blame it on the dance,  
blame it on the boom boom boom  
Gotta get that rumba, blame it on the 808 with the  
boom boom boom  
Gotta get that pop, gotta get that dance, gotta get that  
boom boom pow  
I gotta get, I gotta get this year's remix with the future  
sound.

I gotta feeling,  
But I never really had a doubt,  
that tonight's gonna be a good night,  
that tonight's gonna be a good night,  
and I say the same thing every single time

You know that I could use somebody, (woo hoo)  
Open up your plans and damn your free (Hey!)  
Look into your heart and you'll find love, love, love  
Stop stop stop feeling down, down, down  
Can't you see love, love love?  
Isn't this easy feeling love, love love?  
Down down down,

It's like I've been awakened  
Can't you see every step I'm taking  
Don't be afraid  
The risk that I'm taking  
Can't you see, I've had a little too much feeling down,  
down, down  
Can't you see every move I'm making  
Every rule I had you breaking  
Isn't this easy feeling love, love, love  
We'll make it out of this mess.  
Change your mind  
Baby just say yes,  
Da da da da da da da da da da..â€¡â€¡
