Take, take it all
T-t-take the credit cards
Take everything tonight
Na na na come on, come on
Never gonna stop,
I'll risk it all, I'll risk it all again
Take it all
Take the house
Take my car
Take the change in my pocket
I'm a superstar
Yeah
Never gonna stop
Let it happen
Watch me dancing til the world go
Boom boom boom boom boom boom all again
Let the world go
Boom boom boom boom ba doom boom boom boom
booo-ooo-oom!
Let the world go
Boom boom boom boom boom boom
It's the way I'm feeling I just can't deny
Boom boom boom boom ba doom boom boom boom
But I've got to let it go

Maybe it's hard
We will never be never be broken and scarred
There's no way I'm turning back oh oh oh oh
Here's the situation
Got this feeling that you can't fight
Been to every nation
The city is on fire tonight
You wanted control
But you're a liar
And now everything is on fire
Don't underestimate things like this
Me and all the other kids don't give a (do-don't give a)
K-kiss kiss it all k-k-kiss it all away
If there's nothing left,
Baby I was born this way
Easy come, easy go
Think I forgot to say

Never gonna stop dancing til the world go
Boom boom boom boom boom boom all again
Let the world go
Boom boom boom boom ba doom boom boom boom
booo-ooo-oom!
Let the world go
Boom (woohoo) boom boom boom (woohoo) boom
boom
It's the way I'm feeling I just can't deny
Boom boom boom boom ba doom boom boom boom
But I've got to let it go

We could have had it all
We could have had everything tonight
There's a fire starting in my heart
And I ain't afraid to show it show it show it
I just can't get enough
Ooo, burn burn burn burn burn down in flames
Ignite the fire
Ooo, burn burn burn burn burn down in flames
Like the 4th of July
Booo-ooo-oom!

I got my pop, I got my dance I got that rock and roll
You can take everything but you can't take my soul
Never gonna stop,
I'll risk it all, I'll risk it all again
Take it all
Take the house
Take my car
Take the change in my pocket
I'm a superstar
We ain't stoppin'
Never gonna stop
Let it happen
Keep on dancing til the world go
Boom boom boom boom boom boom all again
Now we're standing side by side
Boom boom boom boom ba doom boom boom boom
booo-ooo-oom in a hopeless
Place
Let the world go
Boom (woohoo) boom boom boom (woohoo) boom
boom
It's the way I'm feeling I just can't deny
Boom boom boom boom ba doom boom boom boom
But I've got to let it go
Let the world go

(Whistle)
Boom boom boom boom boom boom

Sometimes it lasts, but sometimes the world go...
(Whistle)
Aaahh

Boom boom boom boom boom boom all again
Now we're standing side by side
Boom boom boom boom ba doom boom boom boom
booo-ooo-oom in a hopeless
Place
Take, take it all, t-t-take the credit cards
Boom boom boom boom boom boom
Take everything tonight
It's the way I'm feeling I just can't deny
Boom boom boom
Never gonna stop,
Let the world go booo-ooo-oom in a hopeless place

The show goes on
Every night and day
The dream goes on
Standing side by side
All again
