Don't stop the clock  
Can't stop the clock  
So baby lets go  
I wanna celebrate and I don't want the party to stop  
Hey (Hey)  
Tonight we can get a little stronger  
Tonight we can go a little longer  
Can't stop the clock  
Tick tock don't stop the pop

I know a place  
Where we can dance dance dance dance  
Yeah I like it  
Rude boy, dynamite, bad romance

I know a place  
Where we can go go go go  
Giddy' up babe  
Can make your bedrock  
Don't stop the clock

It happens all the time  
The melody in my head  
Make me wanna say  
Let the time pass  
Make the beat rock  
The DJ gonna play my favorite song  
Don't stop the pop

Don't stop baby  
Can't stop the pop  
So baby lets go  
I wanna celebrate and I don't want the party to stop  
Hey (Hey)  
Tonight we can get a little stronger  
Tonight we can go a little longer  
Yeah... can't stop the clock  
Tick tock don't stop the pop

We can dance  
Oh oh  
Like it goes on and on and on

Like shooting stars  
Like shooting stars

Dance  
Until we die  
Like it goes on and on and on  
On and On and On and On

Dance  
Like it's the last night of your life, life  
Dance  
We'll be young forever  
Dance dance dance like this  
Not tomorrow that's just right now now now  
Cause we are never getting old

It happens all the time  
I'm always hearing your  
Melody in my head  
Make me wanna say  
Let the time pass  
We can make the beat rock  
We gon' rock rock rock  
When the music drops  
Don't stop the pop

Don't stop baby  
Can't stop the clock  
So baby lets go  
I wanna celebrate and I don't want the party to stop  
Hey (Hey)  
Tonight we can get a little stronger  
Tonight we can go a little longer

Can't stop the pop  
Tick tock don't stop the pop

Lets go all the way tonight  
I want it all and all and all  
I just want it all  
I just want everything as long as its free  
Oh I want it all

Ain't go no money in my pocket but  
I wanna be a billionaire  
Go DJ  
I'm on the stereo

I'm gonna write you a song  
The world better prepare  
Oh my gosh

Listen to my mix  
On the radio

Hands up  
Hands up  
Suddenly we all got out hands up  
Your hands up  
Now put your hands up  
I throw my hands up in the air sometimes  
Sayin' oh my god

Don't stop the clock  
Don't stop baby  
I don't wanna stop  
Gonna spread my wings  
Its like I'm in flight

Lets fly away  
Cause now it's just a party  
And I don't want the party to stop  
Hey (hey)  
Tonight we can let it be fire  
Tonight we can get a little higher  
Can't stop the clock  
Tick tock Tick tock  
Tick tock don't stop the clock

Lets go  
Faster, faster  
Go fas- Go faster  
It's all or nothing  
Go all night  
I don't want the party to stop  
Hey (hey)  
Everybody  
New York  
California  
Can't stop the pop

No regrets  
There's not a thing that I would change  
Cants top the clock  
We are unforgettable (HEY)  
We are undeniable (so hot)  
We are on top  
Tick tock don't stop the pop

Ohh  
Won't stop baby  
Ohh  
Don't stop baby

Cause you're amazing just the way you are
