Don't stop the pop  
(Ahh, ahh-ahh ahhâ€¦!)

Can't stop the clock  
(So baby let's go)  
I wanna celebrate  
And I don't want the party to stop  
(Hey-ay!) (Ayy-o)

Tonight we can get a little stronger,  
Tonight we can go a little longer  
Can't stop the clock  
Tik tok, don't stop the pop

I know a place where they  
Dance dance dance dance  
Till I like it  
Rude boy  
Dyamite  
A bad romance

I know a place where they  
go (go) go (go) go  
Giddy up and  
Can make your bed rock  
Don't stop the pop

It happens all the time  
The melody, in my head  
Make me wanna say  
The time pass but we  
Let the beat rock  
Let the DJ go to play my favorite song

Don't stop the pop  
(Don't stop baby)  
Don't stop the pop  
So baby let's go  
I wanna celebrate  
And I don't want the party to stop  
(Hey-aye!) (Ayy-o)

Tonight we can get a little stronger

(Ayy!)  
Tonight we can go a little longer  
(Ayy!)  
Can't stop the clock  
Tik tok, don't stop the pop

We can dance  
(Woah oh-woah)  
Like it goes on and on and on  
Like shooting stars (like shooting stars)  
Dance, until we die  
Like it goes  
On and on and on  
On and on and on and on and  
Dance  
Like it's the last night of your life life  
Dance  
Like we'll be young forever  
Dance dance dance that's tomorrow just right now now  
now  
'Cause we're never getting old

It happens all the time  
I'm always hearing your  
Melody, in my head  
You make me wanna say  
The time pass and we  
Let the beat drop  
Cuz we gon' rock rock rock rock rock  
When the music drops  
Don't stop the pop

Don't stop the pop  
Don't stop baby  
Don't stop the pop  
So baby let go  
(One love one love!)  
I wanna celebrate  
And I don't want the party to stop  
(Hey-aye!) (Ayy-o)

Tonight we can get a little stronger  
(Ayy!)  
Tonight we can go a little longer  
(Ayy!)  
Can't stop the clock  
Tik tok, don't stop the pop

Let's go all the way tonight  
I want it all, it all, it all  
I just want it all, I just want

everything as long as it's free  
(ohh-ohh, ohh-ohhh)  
I want it all

Ain't got no money in my pocket but  
I wanna be a billionaire  
Go DJ!  
Got my iPod  
On the stereo  
If I could write you a song  
The world better prepare  
Oh my god  
Listen to my mix  
On the radio

Hands up  
(Hands up!)  
Suddenly we all got our hands up  
Put your hands up  
Now put your hands up!  
I throw my hands up in the air sometimes, saying  
Ohh myyyyyyyy god.

Don't stop the pop  
Don't stop baby  
I don't wanna stop  
Spreading my wings  
It's like I'm in flight  
Let's fly away  
Life is just a party  
And i don't want the party to stop  
(hey-aye!) (ayy-o)

Tonight we can go a little stronger  
(Ayy!)  
tonight we can go a little longer  
(Ayy!)  
Can't stop the clock  
Tik tok, tik tok don't stop the pop

Let's go  
Faster, faster  
Don't stop  
Go faster  
(ayy o)  
Just going out to  
Roll all night  
Baby I don't want the party to stop  
Hey-aye!  
Everybody  
From New York, to

California  
(Ayy!)  
Can't stop the clock

No regrets  
There's not a thing that I would change  
Can't stop the clock  
We're unforgettable  
ayy!  
We're undeniable  
So hot  
We're on top  
Tik tok  
Don't stop the pop

(Woah oh-woahh)  
don't stop baby  
(Woah oh-woahh)  
Wont stop baby  
'Cause you're amazing, just the way you are.
