I wanna feel your touch
You know it's easier if we get closer
I'm not asking for too much
I just get this feeling, over and over

'Cuz it's just you that I see
Nothing but you, I feel so free
I just get this feeling over and over

You make me feel high on life
When I'm with you, I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling

It makes me feel high on life
[Incomprehensible] what's inside
I wouldn't stop this feeling
From taking over

If you could only say
Why it feels so good when you move closer
I think we're on our way
I just get this feeling over and over

'Cuz it's just you that I see
Nothing but you, I feel so free

I just get this feeling over and over

You make me feel high on life
When I'm with you, I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling

It makes me feel high on life
[Incomprehensible] what's inside
I wouldn't stop this feeling
From taking over

Right here in this crowded place
I feel it were at the center of it all
Looking at you, I'm amazed

It seems I'll never fall

'Cuz it's just you that I see
Nothing but you, I feel so free
I just get this feeling over and over

You make me feel high on life
When I'm with you I can fly
I wouldn't stop this feeling
I wouldn't stop this feeling

It makes me feel high on life
[Incomprehensible] what's inside
I wouldn't stop this feeling
From taking over
